DIGITAL LITERACY AWARENESS

Useful Digital Tools for Students :

- Google Docs / Slides for assignments.
- GitHub for project sharing.
- LinkedIn for professional profile.
- Google Drive for cloud storage.

Safe Internet Practices:

- Use strong passwords
- Do not share personal information
- Avoid unknown links
- Use secure websites (HTTPS)
- Keep software updated

Digital literacy is important for students to learn effectively, communicate better, and stay safe while using technology in daily life.

Digital literacy is the ability to use digital devices, the internet, and online platforms effectively, safely, and responsibly. It includes skills like searching information, communication, and understanding online risks.
